

## BRYAN FOLTZ

### Attorney

Bryan is a licensed attorney who has been actively practicing law since 2019, with a primary focus on civil litigation. Over the past several years, he has gained substantial experience representing clients in complex insurance disputes and other civil matters, handling a wide range of issues including coverage determinations, claims investigations, litigation strategy, motion practice, discovery, and settlement negotiations. As an experienced trial attorney, Bryan has successfully managed cases from inception through resolution, including taking multiple cases to jury verdict with favorable outcomes. His courtroom experience has refined his ability to craft persuasive arguments, analyze intricate factual and legal issues, and communicate effectively with judges, juries, and opposing counsel. Through his years of practice, Bryan has developed exceptional analytical, advocacy, and case management skills, along with a deep understanding of the procedural and substantive aspects of litigation. He is known for his meticulous preparation, strategic thinking, and unwavering dedication to achieving the best possible results for his clients. Prior to school, Bryan served on active duty in the US Army deploying multiple times
