**HEALTH CARE PROVIDER  
REIMBURSEMENT DISPUTES**

McConnaughay Coonrod represents workers compensation employers and carriers in litigating and resolving all manner of reimbursement disputes arising under the Workers Compensation Law as a result of claims for payment by health care providers and other vendors to the workers compensation system. This services includes pre-dispute review and advice regarding provider bills, informal administrative dispute handling and negotiation, as well as formal administrative litigation and appeal of both proposed and final agency action.
